Hi all,

As requested during our call last week, the below is an estimate of what EPA's responses costs are between March 27, 2019 to present. Again, this is an estimate.

The total charged to 10BX (Arkema) and 10RZ (Bayer) is \$16,600  
(\$14,500 to 10BX and \$2,100 to 10RZ)

If you have any questions in regards to this estimate, please don't hesitate to give me a call.

Thanks,  
Stephanie
